

Rhode Island Airport Corporation

February 21, 2024

**ADDENDUM NO. 001
Invitation for Bids (IFB) No. 34549
at
Rhode Island T. F. Green International Airport (PVD)**

Prospective proposers and all concerned are hereby notified of the following changes in the document(s) related to **Invitation for Bids (IFB) 34549**. These changes shall be incorporated in and shall become an integral part of the contract documents.

Answers to Significant Questions (answers in *Bold*):

1. As expected, your corporation is exploring a one-year bid with the possibility of 2 subsequent one-year extensions. Will RIAC accept a fixed-priced contract bid for year 1, with economic price adjustments for years 2 and 3? or will RIAC only accept a fixed-price contract for all 3 years?

RIAC seeks a fixed-price contract for all three years.

2. Will RIAC accept bids with bid adjustments based on sizing/options? Items such as sizes over 3XL, 48 Waist, Tall options, etc., all come with variable costs. Items with added embroidery for optional collar insignia, left and right chest options are again different costs.

RIAC will accept reasonable adjustments for sizes as specified by the vendors. RIAC will not accept costs for added embroidery. Embroidery is part of the fixed-price.
