ADDENDUM NO. 03
Notice of Intent (NOI) of Competitive Negotiation No. 35082
OPERATIONS, MAINTENANCE, AND REPAIR SERVICES FOR THE OUTBOUND
PASSENGER IN-LINE BAGGAGE HANDLING SYSTEM AND PASSENGER
BOARDING BRIDGES
at
Rhode Island T. F. Green International Airport (PVD)

Prospective proposers and all concerned are hereby notified of the following changes in the document(s) related to **NOI 35082**. These changes shall be incorporated in and shall become an integral part of the contract documents.

1. Please note the following update to schedule:
Deadline for proposals is hereby extended to **Thursday October 31, 2024 at 3:00pm.**
2. RIAC would like to revise the response to Question #31 included in Addendum #2 issued on October 18, 2024, shown below:

31. Please confirm BHS hours of operation and onsite hours for the maintenance team.
Hours of Operation are subject to change, but are generally 4:30-22:30 Monday through Friday.

Revision: The general hours of operation for the BHS is generally 0430-2230 **all days of the week.**

As indicated on page 10 of the NOI *“the proposer shall be responsible for operations and must provide onsite support during all Active Commercial Carrier hours of operation, and the level of service for the BHS will be coordinated with PVD, TSA and user Airlines. Airport activity information provided is illustrative, proposer must be prepared to provide and maintain these services as airport activity grows.”* It is expected that whenever the BHS is in operation, appropriate staffing is on-site to operate the system.

If you firm has already submitted a proposal which does not require a change, please submit an email to procurement@pvdairport.com acknowledging this addendum #3, and indicating that there is no change required to your proposal as a result of this addendum.
